

2023 REGIONAL PRESERVATION SUMMIT SPONSORSHIPS

This year, Preservation Texas will coordinate four Regional Preservation Summits across Texas. Regional Preservation Summits are designed to educate local preservationists and build grassroots support and capacity for historic preservation. A range of speakers will be invited to discuss preservation strategies and initiatives, with content and case studies tailored to each region. This year's plan includes:

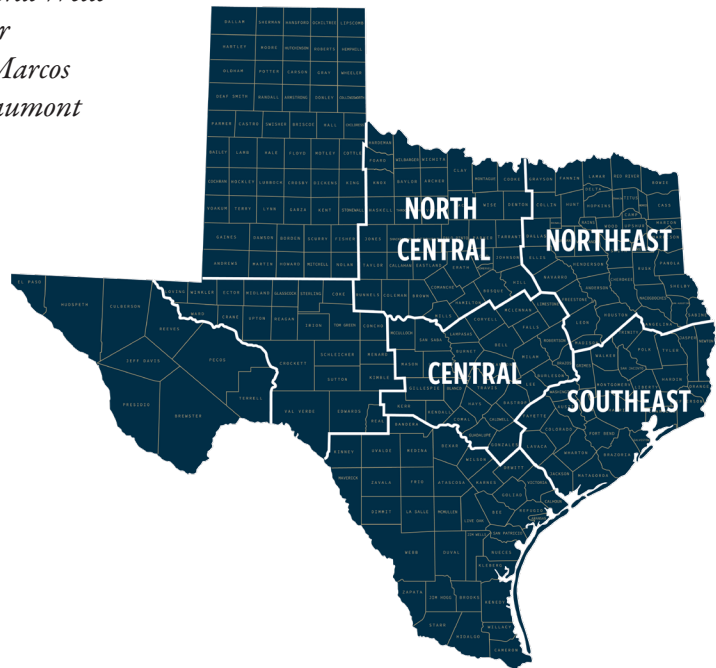

North Central Texas: May 11, 2023 in *Mineral Wells*

Northeast Texas: September 7, 2023 in *Tyler*

Central Texas: September 21, 2023 in *San Marcos*

Southeast Texas: November 16, 2023 in *Beaumont*

2023 Preservation Texas Regional Summit Sponsors will gain visibility across diverse professional and volunteer audiences that are preservation stakeholders in their regions. We anticipate these meetings will attract property owners, architects, engineers, landscape architects, historians, preservation contractors, local preservation officers, planning officials, visitor bureau and economic development staff members, nonprofit leaders, neighborhood representatives, and community preservation advocates.
